THIS ELECTION must be made by all current producers on the farm, and must occur by the end of the election period announced by FSA to be effective for this farm beginning with the 2014 crop year, under the terms of 7 CFR Part 1412. If an ARC or PLC election is not made, the election shall default to PLC for all covered commodities on the farm, starting with the 2015 crop year, and the farm is not eligible for any 2014 ARC or PLC payments. All current producers on the farm must sign this election, and by doing so, unanimously agree and acknowledge that: (1) this election is irrevocable for the covered commodities and the farm, or any resulting farm(s) of a reconstitution; (2) this farm may not be combined with any other farm that has base acres and does not have the same program election applicable for each and all covered commodities on all farms intended to be combined; (3) even though they may have made an election, they must annually enroll the farm in the ARC or PLC program in order to receive ARC or PLC benefits for that crop year; (4) they must comply with the regulations at 7 CFR Part 1412; and (5) that ARC or PLC benefits are subject to change based upon changes to law. In addition, by signing this form, all current producers on the farm certify as to the accuracy of the information set out on this form. FSA's acceptance of this signed form and use of the form does not equate to FSA's approval of the election. If FSA later determines this election was invalid under 7 CFR Part 1412, the elections on this form will not apply to the farm. Annual enrollment in the ARC or PLC program is a separate action from this election and must be performed each crop year.
