HUGE PRICE REDUCTION on this beautiful five-bedroom modular home with a walk-out basement! The home features a formal living room, two family rooms and fireplace in addition to an over-sized two car attached garage. The main floor has a large formal living room, eat in kitchen, laundry, three bedrooms, and a family room with gas fireplace. The master bedroom has wonderful views and a large on suite bath with jetted tub and walk in closet. Enjoy the large deck which faces east in the morning, and the west facing back porch in the evening. Downstairs is a large family room with an electric fireplace. There is a large mudroom and huge bedroom with access to the full bath and a walk-in closet. The property sits on 5.7 acres off County Rd 9. There is an established tree row and wonderful views of the surrounding fields and sand draw.
